## WAGU products available at T-Rex Rubber!

The WAGU products are added to the T-REX portfolio and will be stocked and supplied from our premises in Arnhem. Customers will have access now to the full range of products and have choice in brand now. This will strengthen our mission to create added value as the best single-source provider of engineered service solutions for bulk material handling and processing.

*From our location we will continue to deliver from our ample stock and provide unmatched service to the conveyor belting industry !*
